Quality Policy

We aim to maintain our position as a quality supplier by delivering Recruitment Services with the objective of enhancing customer satisfaction by:

Identifying Customer's needs and expectations and consistently meeting them every time, on time.

Developing and implementing controlled processes, as well as seeking to continually improve the effectiveness of the quality management system,

Ensuring that the services we provide will be entirely suitable for the defined purpose and delivered in a timely and cost effective way.

Complying with the requirements both regulatory, statutory and of the customer, as well as continually improving the effectiveness of the quality management system,

Establishing and communicating, meaningful quality objectives and performance targets to all staff,

Utilising a process of continual improvement where all Staff, where appropriate are encouraged to review the working practices and suggest methods for improvement. In addition, all relevant processes are reviewed and improvements determined where practical.

Developing employee skills and increasing their contributions through effective training,

Developing supplier relationships, to ensure mutually agreeable long term commitment.

Sub-Contractors are fully aware of the requirement for quality and given all necessary information

Adhering to this policy involves every aspect of the Company's business and all its employees.

We are committed to providing quality, choice and value for money in all the services we provide to our customers.
